2010 REQUEST FOR ADJUSTED FEE

Important: Read the following carefully before completing this application. You must follow all directions and have complete paperwork in order for your application to be considered. Make sure supporting documentation and other forms are included along with your deposit. Questions: call (617)244-5124.

Camper's Name(s) _____ Age _____ Which weeks attending camp? _____

Address _____ City _____ Zip _____ Phone (____) _____

1. Please return this form to the camp office **before April 1**. Forms received after that date will be reviewed only if funds remain.

2. To apply for financial aid, **return this form** with the **regular camper application**, including the **appropriate deposit**.

3. A copy of your **2008 income tax forms**, a copy of each of your **2008 W2s**, and a **current pay stub** of each working adult member of the household must be submitted with this form. If you do not file income tax forms, include a letter of validation from your source of income (i.e. Welfare Dept., Social Security or University). No scholarship application will be accepted without the requested documentation. (Please Note: **A copy of your 2009 income tax forms and W2's must be forwarded to the camp office by April 15, 2010.**)

4. If this is your first time applying for financial aid, you may be asked to schedule an interview with the Director. At the interview, you will receive an estimate of how much financial aid you are likely to receive. This is only a rough estimate, as the final total depends on such things as how many people apply, the total need, and how much money is available. PLEASE NOTE THAT THE CAMP CAN ONLY PROVIDE **UP TO 50% OFF THE CAMP TUITION** in its financial aid award. The applicant is responsible for the remainder of the tuition. No one will receive aid without having the required supporting documentation on file.

5. If you have applied for financial aid in the past, an interview is not required, but we will still need proof of your income (as indicated above) in order to make a decision.

6. During the first part of April we will notify you, by mail, of the exact amount the camp can offer you. This statement will include the balance due which must be paid in full by May 15th. If you wait until after April 1st to apply, and although you may qualify for a certain percentage, it is likely you will receive less financial aid based on the availability of the remaining funds.
